CÔTES DE PROVENCE

VINTAGE 2019

GRAPE VARIETIES Cabernet Sauvignon - Syrah

ALCOHOL 14%

TERROIR & WINEMAKING

Our vineyard sits on a shared geological formation, the Permian dating back to the Primary era. Two main soil types are found here: schist and sandstone. Hand-harvested grapes undergo rigorous sorting. Maceration lasts 3 to 4 weeks, followed by a minimum of one year's barrel ageing.

TASTING NOTES

Garnet color with cherry-red highlights. Notes of very ripe black fruit, spicy pepper and light roasted coffee notes. An elegant, refined palate with lovely freshness.

FOOD PAIRINGS

Pairs perfectly with grilled beef rib, duck breast, or a fine platter of cow's milk cheeses.
